XVIII. We have 80 fifth grade students from Mueller Elementary visiting the College of Engineering on Friday, February 24 (during engineering week). We would like to include six 20-minutes hands-on activities. Can SHPE hosting an activity (like the Hot Wheels Race Tracks that you did before)? Please share the schedule below with your members to see if anyone can help with the tours. We will feed lunch to volunteers that help 2 or more hours. If you can't host the activity, we also need tour guide volunteers or both. Could you please let me know by the end of next week?

Schedule on Screen

SHPE will maybe put on an activity for this. Our members expressed interest in helping out the students from the elementary school.
