Deadline for Academic Year Awards: February 1\textsuperscript{st}

SCHOLARSHIP APPLICATION AND REQUIREMENTS

To be considered for business scholarships, you must be fully admitted to WSU and must submit all required information as noted below. \textbf{Incomplete applications will not be considered.}

1. You must be a Business Student to apply.

2. You must submit new application every year to be considered.

3. A typed one-page, single spaced, personal statement. You may use your statement to highlight your special interests, talents, goals, or unique experiences. Include your planned long-range goals. The personal statement allows you to provide additional information for consideration by the scholarship committee.

4. A personal resume that includes your academic, leadership, extracurricular, community service, and work experiences. Should also include your current or expected employment while receiving the scholarship.

5. Completion of the scholarship application.

6. A copy of all transcripts if you are a \textbf{new student} to WSU— preference given to students with a 3.0 GPA or higher.

7. Most scholarships administered by the Barton School of Business require that the recipient demonstrate financial need. For those that do, the Barton School uses the Expected Family Contribution (EFC) which is determined from the FAFSA. The EFC is the amount of money your family can be expected to contribute to your college costs each year. If you have not filed this form, you will still be considered for all scholarships for which you are eligible (those not requiring proof of financial need).

8. You will be notified if you are selected for scholarship award.

9. Completed application packets should be mailed or delivered to:
