SPORT MANAGEMENT ALUMNI DIRECTORY

Wichita State University
2014 Update

Graduates of the sport management program are working in a variety of sport-related settings. This directory lists many of those graduates in the hope that it will be a valuable networking tool for students and alumni. Thanks to the many advertisers who support this project.

We’re always looking to expand our database of sport management graduates, so if you know of someone who should be included in this directory but isn’t, please tell us how to reach them.
