Wichita State’s doctor of audiology program prepares graduates for careers in the diagnosis, treatment and prevention of hearing problems. The program requires a minimum of 100 credit hours and continuous enrollment in clinical practicum. Students receive a variety of practicum experiences at the WSU Evelyn Hendren Cassat Speech-Language-Hearing Clinic and other clinical sites during the first two years of the program.

**Doctor of Audiology (AuD)**

The Wichita State University Doctor of Audiology Program is a 3 year program that leads to the Certificate of Clinical Competence by the American Speech-Language-Hearing Association (CCC-A).

**To advance to candidacy, students must:**

- Maintain a minimum 3.5 GPA
- Complete a mentored research project and oral presentation during their second year
- Have sufficient clinical clock hours to satisfy American Speech-Language-Hearing Association requirements for the CCC-A
- Demonstrate knowledge and skills to clinical supervisors

Advancement to candidacy allows students to enroll in the final program requirement, CSD 997 Audiology Residency, a full-time, one-year residency.

**Course work**

**Didactic Courses (58 credit hours)**

- CSD 705 Counseling in Communication Disorders
- CSD 800 Research Methods
- CSD 803 Introduction to Psychoacoustics
